THE CITY OF FORT WAYNE

board of public works

September 10, 1973

The Common Council
Fort Wayne, Indiana

Gentlemen and Mrs. Schmidt:

Due to the influx of Revenue Sharing money, the City is in a position to proceed with many requested and needed light installations.

Since the manpower at the Utility is not sufficient to handle the added work, the Board deemed it advisable to solicit bids from private contractors to do installations. All materials will be furnished by the City.

These bids have been received (tabulation attached) and the Board proposes awarding a contract to T & F Construction Corporation in the amount of \$198,363.00, subject to Councilmanic approval.

In order that installations may proceed without further delay, we are requesting "Prior Approval" of the contract. Upon execution, it will be submitted to the Council for an Ordinance number.

Sincerely,

Dr. Jerry D. Boswell, Chairman
Board of Public Works
